Dear Ken Lowman and Staff:

I would like to express my appreciation for the excellent job your company did to accomplish the recent sale of my home in Red Rock Country Club. In this very difficult market, you managed to showcase my home in a manner that attracted a great number of potential buyers. I felt we had a steady number of showings over the weeks which was always encouraging. I believe the members of your staff knew the area very well and most importantly knew the particulars of my home. For example, they were able to point out to buyers all of the up-grades and improvements that I had put into my home. They also were aware of truly comparable properties on the market as well as comparable properties recently sold. I always felt they "believed" in my home and were doing their very best to market it accordingly.

I would highly recommend you and your company to all prospective sellers. You were able to sell my property in a very reasonable time frame for an expected and acceptable price given the market in Las Vegas. I was also impressed with the professionalism of your company's handling of a challenging close.

Sincerely,
