## LUXURY HOME DESCRIPTION

Classic & timeless Las Vegas custom home estate! An absolutely incredible 20,621 square foot luxury estate home on three separate parcels for over an acre compound that backs up to the golf course in guard gated Spanish Trail! The stately grounds are lush and well maintained with meandering paths and secret garden sitting areas. Upon entering through the double doors to the main house you are ushered into a grand marble foyer with soaring ceilings, an upstairs catwalk and views directly through the formal living room to an entire wall of windows offering views of the oasis backyard with a refreshing swimming pool, spa, large covered living spaces, an outdoor kitchen, soothing fountains and a well-appointed casita with a bedroom and bathroom. The expansive 1,000 square foot kitchen is ideally designed for any gourmet chef with a large center island, granite countertops, top of the line stainless steel appliances and a casual breakfast room. The elegant formal dining room has a Parisian chandelier and a wall of arched double doors that when left open create a garden-like atmosphere. The main master retreat is an amazing 1,200 square feet of sumptuous luxury with a corner wrap-around balcony for gazing over the ample gardens and a magnificent master bathroom with a steam shower and jetted tub. No luxury was spared in this Mediterranean-European influenced estate boasting arched windows, 2 master suites, 15 bathrooms, a fully finished basement, rare marble stones from all around the world to include Brazil and Iceland. American cherry wood can be found throughout the home in the flooring, cabinetry and decorative ceilings.
